Film Editor/ Music Producer / Videographer / Designer

About Me

In my creative journey spanning eight years, I have cultivated a deep-rooted passion for graphic design, multimedia, and visual storytelling. My diverse experiences, from garment printing to visual effects and even contributing to a feature film, have honed my skills and allowed me to collaborate with industry professionals. As an ardent writer and content creator, I continually seek opportunities to channel my creativity and problem-solving abilities. My objective is to join an organization where I can harness my creative ingenuity, drive for excellence, and dedication to art, to deliver outstanding results and explore boundless possibilities in the world of design and storytelling.

Experience

Printex Creations

2016 -2017

During my tenure at Printex Creations, I served as a Senior Graphic Designer, where my primary focus was ensuring client satisfaction through bespoke designs. My responsibilities extended to managing client interactions and overseeing the entire design process. Additionally, I adeptly operated sublimation printers to bring these designs to life through high-quality prints.

Home Screen Studio

2018-2023

As the co-founder of Home Screen Studio, a pioneering Kannada Film production venture, I spearheaded our journey from short films to the production of two remarkable feature films. Our upcoming releases promise to captivate audiences in theaters, marking a significant milestone in our commitment to delivering compelling cinematic experiences.

Jumpcut studios

2019-2023

Having contributed as an Associate Film Editor at Jumpcut Studios, a prominent Tamil film editing hub, my role was defined by dynamic and contract-based engagements. When tasked with projects, be it for renowned movie directors, TV channels, or OTT platforms such as Sony Liv, I collaborated closely with the chief editor to bring cinematic and televised visions to life. My expertise in editing played a pivotal role in crafting compelling narratives for diverse audiences.

Yahya & Aliya (Youtube Channel: Dubai

2023 -2024

Led the full video production process from concept to final output, including videography, editing, sound design, and direction. Collaborated on creative storytelling tailored for children's entertainment, ensuring high-quality, engaging, and visually dynamic content. Contributed to the channel's growth by delivering consistent, polished videos that resonated with young audiences and parents alike.
